

Product Specification Sheet

Targus 15.4" Flare Backpack Part #: TSB07401US

Product Description:

The Targus Flare Backpack is designed to protect notebooks with up to 15.4" screens. Designed with durable nylon material, the Flare Backpack features a water-resistant bottom and hidden rain-fly to protect the case and your belongings during wet weather conditions. The interior workstation includes plenty of storage compartments for accessories and includes an I.D. holder, cell phone pocket, key clip and pen loops. The case features stylized bungee accents and two large front zippered pockets for quick access to personal items.

For added protection, the notebook compartment features locking zipper pulls to secure your items on campus or during travel. The Flare Backpack also includes several features to help prevent back strain: a 3D mesh padded back panel, a removable waist strap to hold the case close to the body during transport and padded ergonomic shoulder straps, contoured specifically for equal weight distribution and comfortable carrying. With a wide variety of features and two side water bottle pockets, this backpack is perfect for students, young executives or outdoor enthusiasts.
